

## Artful Giving

The following banners are available for use in the sanctuary to honor or remember a person, ministry, or group during worship. The banners will be hung on the pulpit in place of altar flowers on designated Sunday and a note placed in the Order of Worship. A donation should be made to the Artful Giving Fund which will be transferred to the Day Mission Fund for ongoing support of mission projects at First Baptist Church of Raleigh on Salisbury Street.

To dedicate a banner, please contact Jennie Herrick (919-832-4485, ext. 200 or [jherrick@fbcraleigh.org](mailto:jherrick@fbcraleigh.org)). She will let you know open dates for your dedication. Use the number above the picture to indicate the banner you wish to dedicate.

The banner is a design by LaCount Anderson. A close look at it will reveal a hibiscus, a tropical flower, that is one of his favorites. He entitled it "Happy Sunday" as a result of an inspiring Sunday worship service and completed it that particular afternoon.
