Wake up those neurons, get those synapses flowing, and jump on the wavelength of God's love where we'll connect with Jesus and explore bible stories about God's deep and wide love. As we learn and create together, we'll find a place of belonging, see old friends and make new ones, and follow Jesus' example of making room for all and loving one another. Each day of #KidsConnect will include drama, Bible study, art and science explorations, music, and active games. Join us at #KidsConnect and let's do our part in building a world filled with the love and peace of God!
